

PROJECT NAME: Southern Utah Museum of Art

RECIPIENT: Southern Utah University

LOCATION: Cedar City, Utah

PURPOSE: Funding would be used to purchase exhibits, installations, and equipment for the Southern Utah Museum of Art, consistent with the purposes of the Museum and Library Services Act of 1996. Federal support would help serve as a needed boost to obtaining non-federal funds to further educational goals and spur economic development. The museum will become a major regional attraction with education central to its mission in exhibiting, collecting, and preserving historic and contemporary works of art significant to the American West.

AMOUNT: \$1,000,000
